Hi Syed,

I'm just finding out that you are the RPM for Lusher Street, and I've received a FOIA request from a requestor seeking information for Anco Products, Inc. which is under Lusher Street. I've attached the FOIA request, and the documents that I believe are releasable for Anco, I've uploaded to the L Drive under Anco. If you could take a quick look to make sure I've got them right I would appreciate it. Also, if you have any documents that can also be released to the requestor for Anco to add on, please let me know.

I'm in the process of preparing a draft letter to send up to Tom Krueger to get his concurrence so that I may close out this request on time.

Thanks,
Katrina
